

Dear EVTSM society members,

After great collaboration with the European Society of Trauma and Emergency Surgery (ESTES) at the annual meeting in Ljubljana 2023, we are happy to pronounce that we continue and expand this very fruitful cooperation at the incoming ESTES meeting in Lisbon, Portugal April 28-30, 2024.

ESTES includes very prominent worldwide experts in different fields of trauma and emergency surgery. The most hot and controversial topics will be presented and discussed. During the congress, the official EVTSM guest symposium will be held titled "The endovascular and hybrid treatments in critically injured patients". Dr. Hayato Kurihara and Dr. Anna Maria Ierardi will lead symposium.

It is a great pleasure and honor to take part in this prominent conference. The EVTSM society also sees in this invitation the unique opportunity to strength our cooperation and friendship. Multiple interesting pregress workshops will be conducted. You may find it on the congress website.

With this opportunity, we want to emphasize your participation, to receive new knowledge and share your experience. Such events have provide major contribution for us and our future patients.

Save the date and join us: 28-30 April, 2024 Lisbon

With best wishes,

Boris Kessel EVTSM president

Chuck Fox, EVTSM vice president

Tal Hörer, EVTSM founder and past EVTSM president
